About Global Toy News

Global Toy News is your online source for commentary and insight on the World of Play. Global Toy News was founded in 2010 by well-known toy industry commentator and CEO of Global Toy Experts, Richard Gottlieb as a way to communicate ideas and useful industry information with the world of play. Global Toy News has grown to become the go-to online source for all things related to this always changing industry. As the name of our magazine suggests, we are unique in taking a global view of the toy industry, and our reader demographic definitely reflects that global view.

Our Mission

The mission of Global Toy News is to inform, educate and entertain readers with current news, event details, commentary and more pertaining to the world of play. Aside from the many articles you'll see from Richard Gottlieb, you'll also be able to read engaging and informative articles from our team of guest authors from all over the world.

Global Toy News Brings You...

The Latest Industry News

What's happening in the world of play? Richard discusses the latest topics impacting our industry: Chaos in the supply chain, inflation, birth rates, retail news, industry events, toy company changes, licensing, company mergers, and more. If it's happening in the world of play, we're talking about it and keeping you informed.

The Disruption Report

A weekly report devoted to the state of the global supply chain, inflation, and other business disruptions.

Interviews

Richard interviews the influencers and decision-makers of our industry. Richard has interviewed senior executives from Mattel, Radio Flyer, Basic Fun, WowWee, Ravensburger, Funko, Jazwares, Zuru, Just Play, Kidcraft, Moose Toys, Playmonster, University Games, and many more.

Industry Events

Learn about the events that are going on in our industry and get special offers to sign up and attend. We're always covering the latest events such as the New York Toy Fair, Dallas Fall Toy Preview, Guangzhou International Toy & Hobby Fair, and so much more.

The Strong National Museum of Play

We're proud to have writers from the Strong on our team to share information, history, and photos about their latest museum additions. This highly interactive museum in New York is devoted to the history and exploration of play.

Market Research

Our friends at The Insights Family discuss the changes and trends that affect our industry.

Toy Tales

A daily look back at the toys, games, and objects that captured our attention as children and continue to fascinate us today.

About Publisher Richard Gottlieb

Richard Gottlieb is a well-known toy industry commentator and CEO of Global Toy Experts, a world-renowned consultancy and resource for toy industry analysis and strategies. In addition, Richard is Publisher of Global Toy News, the industry resource for toy news, toy trends and analysis of the business of play. Richard combines an MBA in Global Management with years of toy industry experience to help small, medium and large toy manufacturers increase their market share.

Richard is frequently interviewed by media worldwide, and has been called on by ABC News, CNN, MSNBC, the New York Times, Newsweek and other media outlets. He is a Contributing Editor to Playthings magazine in the U.S., Toys n Playthings in the U.K., Juguetes in Spain and other European toy magazines.

Considered an expert on the toy industry, Richard is frequently asked to speak at toy industry conferences and serve on various executive panels. Richards Building Our Future conferences, focusing on the impact that toys and media have on the future personal and professional choices individuals make in adulthood, take place annually in New York, Nuremberg and Los Angeles.

In recognition of his prominence in the toy industry, Richard is member of the National Toy Hall of Fame voting committee.
